

The IBC refurbished container is suitable for the transport and storage of liquids. The flap discharge valve guarantees safe and accurate removal of liquids of different viscosities. The container can be of different colours (natural, white, black), mix of pallets - wooden, plastic, metal. IBC container is already used, therefore it may have minor signs of corrosion and traces of use.

Product code: 960065

Number of pieces on the pallet: 2

Technical specification

Features:

Colour	nature
Material	
Volume	640 l
Weight	47.5 kg

Dimensions

Length	120 cm
Widht	80 cm
Height	100 cm
