

Crate for fruit and vegetables RPE

Crates for fruit and vegetables RPE are very practical due to their light weight. Ventilation slits allow for air circulation and long shelf-life of food. Certified dimensions 60 x 40 cm make them ideal for transport and handling on pallets. Plastic boxes are made of re-granulate or top quality polyethylene. Grease, resin and alkalis resistant.

Product code: 129000

Number of pieces on the pallet: 36

Technical specification

Features:

Colour	black
Material	Reg.
Volume	30 l
Weight	1.9 kg

Specification

Different colour versions.

Due to the use of various raw materials, it is not possible to prevent fluctuations in color shades. All technical parameters of the products, including their dimensions and weights, are subject to changes resulting from testing conditions and manufacturing technology. No legally binding guarantees of specific properties can be inferred from the information obtained.

We reserve all rights, including the possibility of unforeseen errors and subsequent adjustments. We emphasize that the provided technical data is for informational purposes only and may be subject to changes without prior notice.
