

Hinge for ALC container

The hinge for the ALC container/crate is an important component that allows you to move and open the lid or cover on the ALC container with ease and safety. This hinge has been designed with reliability and durability in mind. Before purchasing the hinge, it is important to check compatibility with your specific ALC container.

Product code: 967752

Number of pieces in the package: 2000

Technical specification

Features:

Colour	black
Material	PA
