

Design barrel 360 l

The appearance of the rainwater barrel follows the noble style of ancient Greece. This barrel is not only a highly practical, but also a very elegant tank. The barrel is equipped with an upper hole with a lid, two places for attaching gutters and two threaded holes for attaching a drain cock or garden hose.

Product code: 963560

Number of pieces on the pallet: 2

Number of pieces in the package: 1

Technical specification

Features:
